Next Forum

Covid-19 restrictions

are still in place so we are planning to use Zoom for meetings for the foreseeable future ...

Our outdoor organised activities are cancelled until further notice due to Covid-19 restrictions.

**Friends of Narrabeen Lagoon Catchment
Annual General Meeting
7pm August 31, 2020**

This meeting will be held online in a Zoom session.

We welcome all members and supporters to join but only financial members can vote.

**To register, email Judith Bennett
<email@narrabeenlagoon.org.au>
and you will be emailed a link to the meeting.**

Notice to all members:

Although we have not been organising forums or outdoor activities during Covid-19 restrictions, our committee have been busy writing submissions and letters on your behalf so that decision-makers are well aware that we are still working to fulfil our mission of seeking protection for the remaining bushland in the catchment.

During the AGM, we will be voting for the members of the committee for 2020/2021.

We will not be taking nominations from the meeting but if you feel you could contribute by joining the committee, we would welcome your nomination by email before August 31 and we would phone you to confirm your willingness.

We would particularly welcome anyone who feels they could help with newsletters or with creating an electronic database of our reference materials.

Friends of Narrabeen Lagoon Catchment membership

Our committee has decided, in the light of the current strange Covid-19 situation, that we will provide one year free membership to all members (although we would not say “no” to any offers of donations towards expenses because items such as insurance, post box rental and postage continue as normal).

What will we offer to supporters who would like to become financial members?

We will also, for the next three months, offer one year free membership to any of our supporters who would like to become actual members.

How will this work for members?

We will add a year to the due date for your next renewal if you are currently financial. If you are behind in your subscription, we will make you financial until August 2021 and waive your overdue fees.
